# Press Release

## ***It's All About HYMN* Book by Austin Author Wins 2011 Global eBook Award**

*It's All About HYMN: Essays on Reclaiming Sacred and Traditional Music for Worship* takes First Place in the "Christian Non-Fiction eBook" category for first annual awards held in Santa Barbara, CA

**Austin, TX, August 21, 2011:** *It's All About HYMN: Essays on Reclaiming Sacred and Traditional Music for Worship* from Austin, Texas author Donn LeVie Jr. took top honors at the 2011 Global eBook Awards held in Santa Barbara, CA on August 20th. To qualify for the award, entries must be available in an eBook format. *It's All About HYMN* is available for the Kindle eBook reader and in softcover. More than \$4,000 in prizes will be awarded to the various ebook category winners. Author LeVie is himself a classical guitarist who performs classical guitar arrangements of sacred music and traditional hymns in churches around the country.

LeVie's other book in ebook format, *Instrumental Influences: Reflections on the Classical Guitar from the Instrument's Most Influential Performers and Pedagogues* was Runner-Up in the "Entertainment/Performing Arts" category. LeVie was also the only author to have two books named as finalists in the competition.

### ***It's All About HYMN* shows how worship music choices reflect the strength of a biblically Christian worldview**

With so many contemporary evangelical voices calling for "redefining", "rethinking", "remaking," and "repackaging" Christian worship, now comes a new voice for **reclaiming** its sacred and traditional precepts for worshipping God through sung prayer. Praised by some of the world's leading authorities in the church music field, *It's All About HYMN: Essays on Reclaiming Sacred and Traditional Music for Worship* opens up new doors to dialogue, sheds light on factors that influence the Western Christian worship model, and challenges all Christians to reassess how they approach the act of worship.
