The book contains sixty original essays (twenty from author Donn LeVie Jr., and forty from world-renown artists and teachers. Rather than another book on classical guitar technique, the essays in *Instrumental Influences* focus on how the teaching, study, and/or performance of classical guitar has been an "instrumental influence" in the lives of artists and teachers, or the lives of their students.

The book is available from Amazon.com (softcover and Kindle eBook versions), Barnes&Noble.com, CreateSpace.com, and bookstores everywhere. 312 pages, \$22.95; \$7.99 Kindle version.
